While at Dismas House, Scott participated in the Community Corrections Center Demonstration Project, wherein he was under the supervision of this probation office prior to the commencement of supervised release. RE: David Brian Scott  
4:09CR00428 HEA

During Scott's term of supervised release, he has incurred no violations and has refrained from negative contact with law enforcement.

Assistant U.S. Attorney Timothy Bass of the Central District of Illinois has been contacted regarding this matter and is not in agreement with the U.S. Probation Officer's request for early termination.

**RECOMMENDATION:**

Scott has maintained employment at the same position for the last two years. Additionally, he has paid all of his Court ordered restitution in full. Throughout Scott's term of supervised release, he has incurred no violations. It is recommended that Scott receive an early discharge from supervised release.
